## Nix Named Soldier of Year At Banquet Honoring Depot

The enlisted men were seated with their individual hosts, all of whom were members of the Tri-City Chamber of Commerce.

The gathering of 120 was addressed by Robert J. Burnes, Globe-Democrat sports editor, who related humorous sports anecdotes and stressed the value of persistence and extra effort. He cited Stan Musial and Yogi Berra, whose parents were immigrants, as examples of the democracy of athletics, which judges men on ability and performance.

Recalls 1945 Generosity  
Col. Charles B. Schweitzer, commanding officer, thanked the hosts and praised the Quad-Cities for its general attitude of friendship toward the military base, recalling that while he was here in 1944 the community raised several thousand dollars to equip the Depot service club.

Chamber President Carl E. Mathias presented a plaque to Nix, who responded with a talk in which he called for "continued friendship and cooperation between the Tri-City area and Army Depot."

Nix said, "if any of your sons are ever stationed in or around my home town, I only hope they are accepted like we have been accepted here."

### "LEFTOVERS"

There's but one good place in the home for "leftovers." That's the refrigerator—and the "leftovers" should be foods, not medicines.  
Medicine chest "leftovers" are risky at best, and often downright dangerous. The medicine your physician prescribed a year or so ago was intended to be used then, not now. Avoid serious danger—dump old medicine at once.  
Each illness requires scientific diagnosis—and, usually, specialized medicine is indicated.

(3-1) now lead the league's Red Sox, with Poca-hontas (3-2) ruling the Blue Division. The Mercers (Blue) and Hearts (Red) are both 2-2 with Mitchell standing 1-3 in the Blue lineup.

Two Big Innings

PAWV needed only two innings to tally eight runs. Three walks, an error and hits by Bob Kawalski and Joe Brombolich accounted for three in the fifth while homers by John Willis and Jesse Young sparked the five-run eighth.

The Mercers managed two runs in the fifth on walks to Joe Fanning and Don Crabtree and hits by Charles "Jo-Jo" Johnson, manager and Gary Chamberlaine. Rich Schuchman had two of the team's seven hits.

Pat Harris started for the Mercers but had to be relieved in the second by Wayne Gavillet, who gave up all the runs. Terry Kofahl fanned the last five PAWV batters.

Comback Falls Short

Jim Knop of Maryville's Red Sox battled to the wire with Sacred Heart's Ron Reiss, making his first pitching appearance of the season. The Hearts scored in the first inning on a walk to Mike Dillon and a hit by Adrian Rains.

The Sox went ahead 4-1 but the Hearts closed the gap in the seventh on Steve George's home run. They scored their third run in the ninth on Bob Ketter's double, an error and Dillon's sacrifice fly but Knop stopped the comeback one run short.

## High Fences—Over 4 1/2 Ft.—Illegal, GC Alderman Learns

High fences are causing a problem for newly-elected Sixth Ward Alderman Gerald Parmley, who said Friday he had received 19 complaints in one day.

Parmley, in checking with the building inspector and other city officials, found the city has an ordinance to control fences—Section 28-223 of the Municipal Code.

"It was adopted, so I'm told, to prevent individuals from building extremely high fences that would block off breezes for their neighbors and it sets forth a three-foot limit for front fences and those along the sides of yards and 4 1/2 feet at the back," the alderman said.

Parmley added that it would be impossible for the city to inspect and measure all fences, and all that he would be able to do is to refer any complaints to the city inspection department, with enforcement to be handled through that office.

Parmley said the number of complaints apparently is resulting from sales of extremely high fencing by firms in the area. "You can't blame people for complaining when they're fenced in by neighbors," he added.

## THE WGNU CLUB DERBY!!

BY...MR. GNU

The other day on our Club Derby News program we announced the winners of the May turn-in.

**FIRST — Madison Band Parents \$200.00**

**Second — Sequoia Indian Club 100.00**

**Third — Eastern Star 650 60.00**

**Fourth — St. Margaret Mary 30.00**

**Fifth — St. Elizabeth Altar Soc. 10.00**

Congratulations to these groups and to their excellent children. June Barham, Beth Downing, Velma Carraher, Leona Van Meter and Annaliese Gyarmati... it was very close and it still looks like anybody's race for the \$1,000 in Grand Award money and the top merchandise award of a 1968 Buick Station Wagon....

.....

This is Opportunity Month and the top three money winners from the May and April turn-ins will not be eligible for the monthly prizes at the June turn-in. This includes Madison Band, Sequoia Indians, Eastern Star 650, St. Margaret Mary and Quorin Boosters. However, these groups should not ease off because the contest is still monthly in determining Grand Award winners... and coupons must be credited to the June turn-in even if your group isn't eligible for the money that month.

.....

Again, we must say that proofs of purchase must be requested at time of purchase — we don't want to disqualify any points but clubs and sponsors must abide completely by the rules....

.....

No club was able to earn the 5,000 bonus points for turning in a minimum of 25 coupons at each of the total of 22 sponsors so we'll save that off a bit as follows: A minimum of 10 coupons from any twenty of the sponsors listed on the coupon sheet will give your group a bonus of 5,000 points and a minimum of 10 coupons from all of the 22 sponsors listed will give your group a bonus of a whopping 10,000 POINTS!!!!

.....

There'll be bonus points given for attending Opening Day at Sun 'n Fun Park — by the way, Leader Dept. Store will stage a fashion show of sport clothes there that day — with live models, yet!!

.....

Pick up many points right now from Tri City Cleaners — they have a special going on dresses and suits for \$1.00....

.....

And remember — 50 stamps for every home improvement loan opened in May or June at Granite City Trust and Savings Bank....

.....

This month provides such a great opportunity for the clubs that haven't won the bigger cash monthly prizes to come through with the top \$200 prize — they include St. Joseph Parents and Friends, St. Elizabeth's Altar Society, Navy Mothers, Minerva Club, Granite City Republicans, Woman, DUV District 8, DUV Tent 96, Freeville Baptist Church, Beta Sigma Phi, National Secretaries Association, Venice Ladies Democratic Club, Women of the Moose, 58ers 4H, Nite Outers and the Rock Boys Club....

### 100 Attend Venice Library Ceremony

Expansion of knowledge was the theme for the dedication ceremony of the new addition to the Venice public library, which was attended by more than 100 persons yesterday afternoon.

Police Chief Frank Deserri, library board president, accepted an engraved plaque commemorating the occasion. Richard Kraft, a former board president and one of the chief instigators of the building program, addressed the assembly and related highlights of the 28-year history of the library and its development to the current inventory of almost 21,000 volumes.

Mayor John E. Lee also spoke and emphasized that the new addition is only half completed until it is utilized by the public. The new area, which includes a 60x40-foot all-purpose community room, is available for many community events, such as meetings, summer story hour programs and reading rooms, library officials said.

Rev. Robert C. McCarthy of St. Mark's Church, offered the invocation, and the dedication was judged by Rev. Omer G. Jones, pastor of the Venice Methodist Church.

A program of music was provided by members of the Venice public school band, directed by Arion D. Roberts, and the program concluded with a social hour and refreshments.

### City Doubles Fight Against Mosquitoes

Granite City is doubling up on mosquitoes by declaring an all-out war against the nuisances with a double-shift operation of the city's two insect fogging jeeps.

Mayor Parney said Friday he obtained authorization from the Sanitation committee to hire two extra operators so the machines can be kept in operation from 4 p.m. throughout the night to 8 a.m. each day. "We should be caught up in all areas of the city in about two weeks," Parney said.

Hartman could not be reached for comment today. He paid Madison county about \$10,000 on Jan. 20, 1964, after conferring with county authorities for several months on the amount of fines and court costs due from his justice of the peace court, which was terminated in January 1964 with the start of the new state judicial system. Other bills relating to the levee district would require open bidding on all purchases exceeding \$10,000, allow published notice to be substituted for individual mailed notices of revenue bond proposals, and provide for at least two trustees from Madison county.

## Dow to Use 7,000,000 Pounds of Aluminum

Nearly seven million pounds of aluminum will be used at the Madison Dow Metal Products Co. plant to produce aluminum extrusions for AM-2 landing mats for use by the Air Force at overseas installations.

The local firm last week announced receipt of a \$3,900,000 government contract awarded by the Naval Air Engineering Center at Philadelphia.

The contract calls for Dow to turn out 51,776 pieces — hollow aluminum extrusions that are about 24 inches wide and 1 1/2 inch thick in 12 and six-foot sections. A 14,000-ton extrusion press will be used.

The landing mat sections are used by the military to build portable landing strips. These air fields can be constructed in a short time by a minimum number of personnel and can withstand the landing impact load of jet planes, a Dow official explained.

## Enjoy the convenience of a modern Refrigerator-Freezer with NO DEFROSTING EVER

Forget defrosting... forever! Now the modern Refrigerator-Freezer never has a built-up coating of frost that has to be removed with scrapers and sponges and pans of hot water.

No frost? None! That even beats so-called "automatic defrosting". The fact is, these new refrigerator-freezers take care of themselves. These new two-in-one appliances require no defrosting... ever! And this isn't the only saving. You

save by making fewer trips to the market... save by stocking up when prices are low... save by ending waste. Besides that, meal-planning is easier... meals are easier to prepare. And you always have enough food on hand. With a modern Refrigerator-Freezer, you have a supermarket in your kitchen. All this... and No Defrosting Ever!

See the Refrigerator-Freezers your appliance dealer is displaying now. You'll be glad you did!
